Strategies to unlock the power of food in healthcare

27 April 2021

Paola Hernandez Olivan, Food Project and Policy Officer
About HCWH Europe

We are a non-profit European network of hospitals, healthcare systems, healthcare professional bodies, local authorities, research/academic institutions, and environmental and health organisations.

Mission: Transform healthcare so that it reduces its environmental footprint, becomes a community anchor for sustainability and a leader in the global movement for environmental health and justice.
HCWH Europe Programmes

- Climate-smart Healthcare
- Sustainable Food
- Safer Pharma
- Circular Healthcare
Global Green and Healthy Hospitals

GGHH is an international network of:
