ABOUT HCWH EUROPE

• A **non-profit coalition** of hospitals, healthcare systems, healthcare professionals, local authorities, research/academic institutions, and environmental and health organisations.

• **Bringing the voice of healthcare professionals** to the European policy debate about key issues, such as: chemicals, climate change and health, green building, sustainable procurement, pharmaceuticals, sustainable food, and waste management.

• **Educating the healthcare sector** to understand the importance of the environment and press healthcare leaders and professionals to advocate for broader societal policies and changes.
GLOBAL REACH OF HCWH

- Health Care Without Harm is a community of organisations which includes:
  - 4 legally independent regional offices working in different geographical areas but on interconnected issues and topics.
  - Offices in Europe (Brussels, Belgium), US & Canada (Arlington, USA), Latin America (Buenos Aires, Argentina), and Asia (Manila, The Philippines).
  - Implementing organisations such as Practice Greenhealth (PGH) and Greenhealth Exchange (GX).
  - HCWH’s partners who represent us and our work in different countries where we do not have offices.
