Webinar: Medical Devices Regulation – Heading in the right direction?

Monday 10 September, 11.00 CEST
ABOUT HCWH EUROPE

• A **non-profit coalition** of hospitals, healthcare systems, healthcare professionals, local authorities, research/academic institutions, and environmental and health organisations.

• **Bringing the voice of healthcare professionals** to the European policy debate about key issues, such as: chemicals, climate change and health, green building, sustainable procurement, pharmaceuticals, sustainable food, and waste management.

• **Educating the healthcare sector** to understand the importance of the environment and press healthcare leaders and professionals to advocate for broader societal policies and changes.
HCWH VISION, MISSION AND GOALS

Vision

Healthcare mobilises its ethical, economic and political influence to create an ecologically sustainable, equitable and healthy world.

Mission

Transform healthcare worldwide so that it reduces its environmental footprint, becomes a community anchor for sustainability, and a leader in the global movement for environmental health and justice.

Overarching goals

1. Protect Public Health from Climate Change
2. Transform the Supply Chain
3. Build Leadership for Environmental Health
MAIN POLICY AREAS

Pharmaceuticals

Climate & Energy

Safer Chemicals

Sustainable & Healthy Food

Sustainable Procurement

Waste/Resources
HCWH EUROPE MEMBERS

• Currently **84 members** in **26 countries** of the WHO European region, including **17 Member States** of the European Union.

• Membership of HCWH Europe is based on an organisational **commitment to the mission and goals of HCWH &GGHH**, and desire to participate fully in helping to achieve them.
GLOBAL GREEN AND HEALTHY HOSPITALS (GGHH)

• An international network of hospitals, healthcare facilities, health systems, and health organisations.

• Members are dedicated to reducing their environmental footprint and promoting public and environmental health.

• Multiple programmes and benefits:

  - The GGHH Agenda and its 10 goals
  - A data center to measure and track progress
  - An online global collaboration platform

Find out more at www.greenhospitals.net

© Health Care Without Harm (HCWH) Europe 2018
• Europe’s leading conference in sustainable healthcare.
• Optimal platform to hear about the latest industry trends, discuss diverse topics, and network with international thought-leaders.
• Showcases cutting-edge sustainable practices in healthcare.
• Ideal platform for healthcare innovators to inspire their organisations.
• Five previous conferences
  • 2004, Vienna
  • 2006, Stockholm
  • 2012, Malmö
  • 2013, Oxford
  • 2016, Copenhagen
HCWH EUROPE WORK ON THE MDR

- Working on safer chemicals in healthcare since 2004
- Following the development of the MDR since 2012
- Bringing stakeholders (policy-makers, industry groups, NGOs, and hospitals/procurers) together to raise awareness about the potential of the MDR to substitute harmful chemicals such as CMRs and EDCs
- Webinars, workshops, reports all available on noharm-europe.org
SPEAKERS

Oliver BISAZZA
Director, Regulations & Industrial Policy - MedTech Europe

Tomas DELIMON
Environmental Expert - Envicas (representing Zorgnet Icuro)
